Customized Curriculum

Books

Qualified, Dedicated Teachers

Recreation

We are proud to offer a customized curriculum to suit the ages and specific needs of our children. This curriculum is intended to maximize the child's benefit for the 4 hours they will spend at Madrasah Nooraniyah and challenge them to revision and preparation for the following week. A curriculum is only as strong as the instructor that uses it to disseminate the knowledge into the hearts and mind of our students. At Madrasah Nooraniyah we strive to maintain qualified teachers who truly are dedicated to education. We also provide a meal for our students every day so they can focus on their studies and are not distracted by their growling tummies. To top it off we provide an attractive means for both boys and girls, young and old, to channel that energy stored in them by taking them for a relaxing walk through the Minneola Trail and to the park where they play and have fun under supervision and then walk back to the Masjid again.

Are you a Monthly Pledgee? Please read.

In an effort to strengthen the bond between FIC and its members, we would like to suggest that you become a monthly pledgee. Monthly pledgees are individuals who recognize that the services FIC is offering to the entire community as valuable and necessary, so they want to contribute to the preservation and development of the organization. To become a monthly pledgee you must fill out the Monthly pledgee form and submit it to the treasurer. This will allow your contributions to transfer automatically. Monthly pledgees will receive updates on the organization's progress as well as significant benefits, such as discounts on the services offered at FIC. Monthly pledgees will also receive significant reductions on their children's Madrasah tuition. Please speak to the Treasurer Br Amir Ali.
